

THE HERB SOCIETY OF AMERICA 2006 SEED EXCHANGE LIST

Please note the following abbreviations: **TYPE** – Annual (A), Biennial (B), Perennial (P), Tender Perennial (TP)
TRADITIONAL HERB USE – Culinary (C), Medicinal (M), Ornamental (O), Fragrance (F), Economic (E),
 Everlasting (L), Dye Plant (D), Butterfly, bird, bee plant (B), Native (N) **LIGHT** – Sun (S), Part Shade (PS), Shade (Sh)

There is no limit on how many varieties one can order; however, some are in extremely limited supply. The HSA Seed Exchange opens to members January 2006 and to non-members March 1, 2006. No orders are accepted after November 1, 2006. Please check the Seed Exchange List on the HSA website (<http://www.herbsociety.org>) for late additions to the list.

Seeds are collected and cleaned by dozens of our members. We try to verify names, but we cannot ensure 100 percent germination or colors as stated. *If we have sold out seed packaged for 2006, we will send seed packaged for 2005 if available.* We do not knowingly ship seeds considered to be noxious weeds. Seeds that sold out prior to March 1, 2006 are indicated with strikethrough font.

<u>CODE</u>	<u>BOTANICAL NAME</u>	<u>COMMON NAME</u>	<u>TYPE</u>	<u>ZONE</u>	<u>BLOOM</u>	<u>HEIGHT</u>	<u>LIGHT</u>	<u>USE</u>
ABEL10*	<i>Abelmoschus esculentus</i>	Red Okra	A		Yellow	5'	S	C, O
