

The Herb Society of America

Sponsorship Commitment for *The Herbarist*, 2026

“The Herbarist’s 90th anniversary double issue—one in print and a larger version online—was fabulous! Reading it took us through time, and we found current content as well. I/we absolutely want to support the 2026 issue which will continue to provide herbal education and articles of interest to fellow HSA members and to the public.”
