

Tour of Country Music Hall of Fame
2:00 PM Friday September 9th

COUNTRY MUSIC HALL OF FAME
222 5th Ave S, Nashville, TN 3720
Ticket: \$22 (reservation required)

Discover the stories behind the music as you view over 3,000 stage costumes, original song manuscripts and musical instruments at Country Music Hall of Fame and Museum. Many of the personal items of music legends are on display including Elvis' solid gold Cadillac. Tour includes a visit to the historic RCA Studio B and the Music Row walking tour. Allow at least two hours for exhibits and the tour.

The downtown building was designed by Nashville's Tuck-Hinton Architectural Firm with Seab Tuck as the project architect. When viewed from the air, the building forms a massive bass clef. The point on the sweeping arch of the building suggests the tailfin of a 1959 Cadillac sedan. The building's front windows resemble piano keys. The tower on top of the Rotunda that extends down the Hall of Fame is a replica of the distinctive diamond-shaped WSM radio tower, which was originally built in 1932 just south of Nashville and is still in operation.

Ticket: \$32 individual/ \$22 each group of 15

A historic mansion that is now operated as an attraction, museum, winery, and onsite restaurant together with outbuildings on its 30 acres of property. In the late 19th century, the plantation encompassed roughly 5,400 acres with over a hundred slaves.

Preserved original outbuildings, including the original Harding Cabin where Belle Meade began, a dairy, a gardener's house, a carriage and stable house built in 1892, one of the largest smokehouses in Tennessee, and a mausoleum may also be seen. Since the 1990s, the executive leadership of the site began an effort to reconcile the past and to tell the stories of African Americans who were brought to and born at Belle Meade and worked there before and after emancipation. **The Mansion Tour** tells the century-long history of Belle Meade through the stories and experiences of the Harding and Jackson families, as well as the enslaved women, men, and children who were held in bondage here. The **Journey to Jubilee Tour** invites discussion and explores the stories of the enslaved African-Americans who were brought to, and born at Belle Meade from 1807 through the years following Emancipation.
