

THE HERB SOCIETY OF AMERICA, INC.
Medicinal Disclaimer Policy
Approved 2009, updated January 2020

It is the policy of The Herb Society of America, Inc. (The Society or HSA) not to advise or recommend herbs for medicinal or health use. It is advised that a health care provider be consulted before pursuing any herbal treatments.

1. Medicinal Disclaimer for Authors and Speakers

(Policy applicable for all HSA publications and sponsored educational events)

The Herb Society of America, Inc. (The Society of HSA) is a non-profit, educational organization dedicated to promoting the knowledge, use, and delight of herbs through educational programs, research, and sharing the experience of members with the community.

It is the policy of The Society not to advise or recommend herbs for medicinal or health use. Please consult a health care provider before pursuing any herbal treatments.

In accordance with the First Amendment of the U.S. Constitution, authors or speakers may quote scientific, ethnic, or historic literature and may cite how they personally use herbs. However, none of the information published/presented may serve as a recommendation or an endorsement of any particular medical or health treatment. The Society is not liable for any decision made or actions taken or not taken due to use of materials published and/or presented. Electronic links are provided as an educational service only.

2. Disclaimer to Be Displayed or Read Prior to a HSA Sponsored Event or to Be Included on the Handouts

It is the policy of The Herb Society of America, Inc. not to advise or recommend herbs for medicinal or health use. The information in this presentation is intended for educational purposes only and should not be considered as a recommendation or an endorsement of any particular medical or health treatment. Please consult a health care provider before pursuing any herbal treatments.
