

Join HSA Membership Raffle

Who doesn't love a raffle!?! For this drawing, a registration to the 2021 Virtual Annual Meeting of Members and Educational Conference is being raffled.

So how do you participate? If you are not already a member it is easy...just join HSA.

- All new members joining HSA from July 1st, 2020 through May 31st, 2021 will automatically be entered into the raffle.
- What defines a new member? Anyone who has never been a member of HSA and those individuals whose memberships have been lapsed for a minimum of two years.
- Attendance is not a requirement of this raffle. If you are announced as the winner but unable to participate you are allowed to transfer your registration to a member who is able to attend.

There are so many benefits of membership from friendships with members across the country to newsletters, *The Herbarist*, member discounts, webinars, conferences, district gatherings, and the general sharing of plants and information.
